

JUNE 2021 EDITION

# DEER IN THE SPOTLIGHT

A MONTHLY PUBLICATION FROM THE CITY OF DEER PARK

## POOL SAFETY

DEER PARK VOLUNTEER FIRE DEPARTMENT

Summertime brings endless days of swimming, but it also comes with the responsibility of keeping fearless little ones out of harm's way.

Drowning is the leading cause of death for children under the age of 5 years and unfortunately this statistic stands true even in the City of Deer Park. It does not always involve flailing arms or big splashes of water as depicted on television, but instead could be a quiet slip under the water.

For this reason, it is important that the first level of protection be SUPERVISION. If you are at the pool with your child, take responsibility for their safety.

- Designate a water watcher every single time children in my care are in or near the water
- Make sure my kids know how to swim
- As a parent or guardian, learn CPR
- Always remove portable pool ladders when not in use
- Ensure all permanent pools have a proper fence and gate and safer drain covers

For more information and safety tips, please visit [www.poolsafety.gov](http://www.poolsafety.gov)
